The footprints on the moon mark the ending of one dream and the beginning of another. They are proof that our goal of sending a man to the moon and back was accomplished. They are the foundation upon which we will build our dreams of future space

exploration... to Mars, the planets, and beyond. We dedicate this annual to Neil A. Armstrong, Michael Collins, and Edwin E. Aldrin Jr. of the Apollo 11, the men who made one dream a reality - the men who accomplished something for mankind.

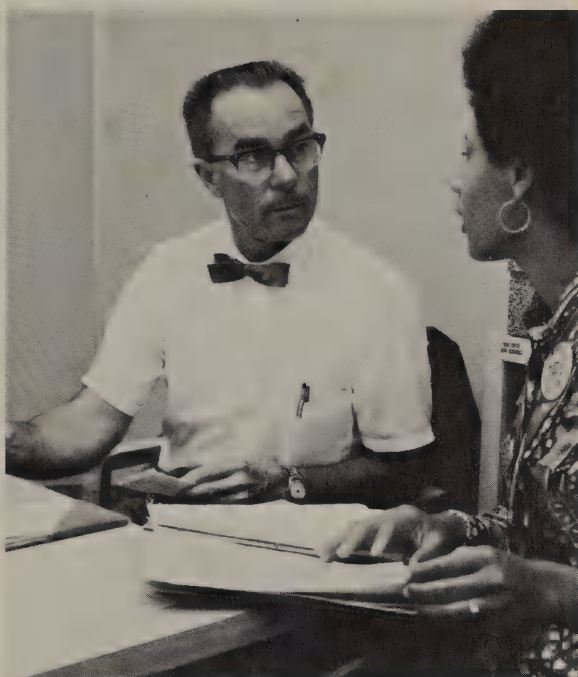

FACULTY

MR. FRANK B. THORNTON, PRINCIPAL

Mr. Thornton is not like most high school principals who hide behind closed office doors. During the year he could usually be found among a group of students; before school, during lunch, after school, and at all the games. Mr. Thornton showed that he really has the tiger spirit.

Mr. Charles O. Lewis, Vice-Principal

Mrs. Jeanette A. Kramer, Vice-Principal

ADVISORS

Mrs. Kramer's motto was "Give yourself the best possible break—a good education." This thought guided her relationship with the coeds at Morse High throughout the year. As Vice-Principal, Mr. Lewis was coordinator of all young men's activities.

Mr. Quentin Goldstein, Administrative Assistant

COUNSELORS

The tasks performed by this year's counseling staff were scheduling and rescheduling students' programs, taking disciplinary action when needed, and helping the students solve their problems. No matter what problem they were faced with, they did their very best to have it solved.

CALIFORNIA SCHOLARSHIP FEDERATION

The California Scholarship Federation was organized to honor students with outstanding grades. Members are generally those with a "B" average or higher. Students, who have been members for four semesters, are eligible for Sealbearer membership which qualifies them for scholarships in many colleges and universities throughout the state of California and across the nation.

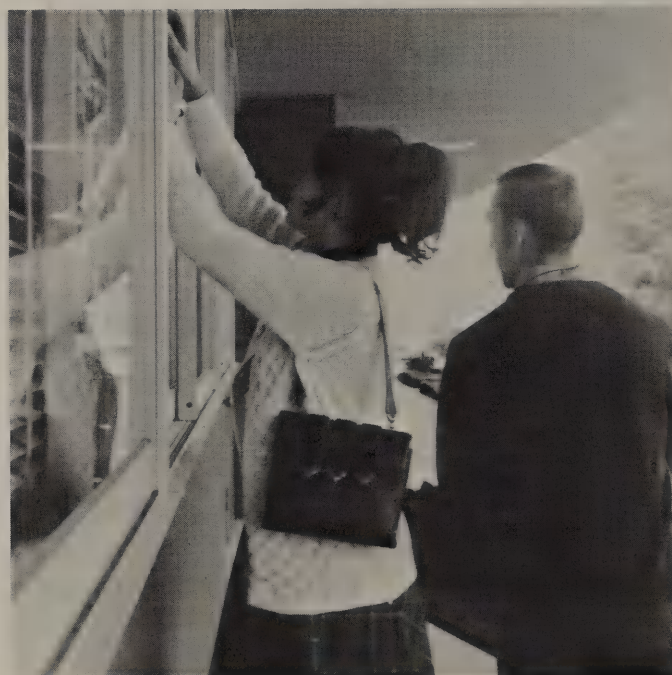

AFS FOREIGN EXCHANGE STUDENT

The AFS Exchange Program is a rigorous one for participants. It includes activities where the student can meet and talk with people. The goal of the program is to promote understanding among the people of the world. This year Morse High's Exchange Student was Astrid Siebeke from Germany. She was a very active member of the Tennis Club.

Dear students of Morse,

You can call me one of the luckiest AFS-ers in San Diego because I see how America really is every day. Morse is, I think, the best school in this town to reflect the daily and typical life of American pupils. Never in my life will I forget this year in which I have gained so many new friends and interests. As I could come to you only with your help I want to say: Thank you very very much.

CLASS HISTORY

As entering Sophomores, we the class of '70 were determined to make our class a great one, and to be remembered at Morse High for many years to come. The activities in our Sophomore year will always be remembered; like Samuel F.B. Morse Week, our first money raising project. It was a big success under the direction of our class president, Mike Hennes.

Our Junior year was the "The Year of the Tiger". It was highlighted with a new principal, Mr. Thornton, who brought new ideas to Morse. Our class was very busy the first few months selecting our class ring. The football team made C.I.F. bringing superiority to our "Year of the Tiger".

Our Senior year came, bringing our goals of High School days closer to an end. We started off really "hot" with the Administration Building being set fire. In January we picked the theme for our prom, "Days of Wine and Roses." The first part of May, Senior Week and activities, such as a Dating Game, were held.

As we close our years of activity, we the class of '70 would like to thank Mr. Avery for being such a good counselor. Mrs. Spears and Mrs. Dunkle for giving so much of their time and patience. And Mr. Wendling for being our class advisor. We also give many thanks to our present and previous class leaders for helping us reach our goals in the year 1970.

Adona, Benny G.—"Half" participated in Wrestling, and Swimming. He'll always remember the burning building, the trees that were cut, no senior privileges, and a funky bouncer.

Agüón, Vivian-Vivian plans to attend a business college, and share an apartment with Lucy and Debbie.

Anderson, Malcom X—"James" was active in J.V. Archery, and Advanced Pencil Sharpening. He'll always remember the day he got thrown on his posterior when playing football with D.D., C.G., and J.B.

Anderson, Robin-Robin plans to forget her years at MHS, and become scarce.

Ardilla, Gilbert—"Dodie" will always remember Morse's Homecoming Week, senior prom, S.C., A.B., B.W., and last of all Mr. Archibeque.

Arguello, Edward—"Eddie" was active in Drama Guild, and senior committee. He will always remember when MHS took CIF, ASB, Blue and Gold Ball, Campus Life, the Haunted House with P.D. and all the fun with G.R.

All the fun she had at SDSC, she plans to become a fashion designer and be very successful.

Anderson, Paul—"Razor Blade"—played Varsity Basketball. He'll always remember going to games, dances, and other things, the fine women (smile), and the grapevine, and Nikki Moss—A handshake instead of a kiss.

Babicky, Kathleen-Kathleen will always remember her sophomore year and all the seniors, R.I.'s parties, U.S.D., trying to get to school with P.C. Most of all she will remember Bill Graves. She plans to be a stewardess and later marry.

ACTIVITIES

"On your mark..."

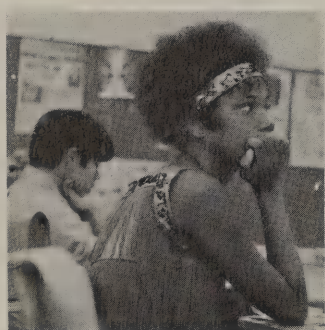

The theme for this year's Homecoming was "The Roaring 20's". The week, November 3-7, was full of activities and enthusiasm. The week began with a Bug Drag on the baseball field and ended with a dance in the gym. Other activities in the week were the election of the Queen and her attendants, a senior picnic, a pie-eating contest and a game of catch with raw eggs.

Tension mounts as the contest becomes egg-citing.

I thought you put gas in the car!

I wonder what he's looking at.

That fella sure looks suspicious.

Going once, going twice, sold!

Steve and Danny dig in!

The A.S.B. vice-president tried out a new chair.

Three doors down...

This new lipstick is really wild.

The Morse High Banderettes led the half-time show.

"All for Morse stand up and holler!"

Friday came and with it came gangsters and flappers. Besides being Dress-up Day, there was a pep rally and the game with Patrick Henry. The Queen was crowned at half-time, after the Drill Team and band had performed.

"Do you think they recognize us?"

"All hail our Alma Mater..."

"Give me victory or..."

Go! Go! Go!

Linda Suggs, Homecoming Queen 1967, crowns a very happy Pearl Morris.

The three senior attendants await the big Announcement.

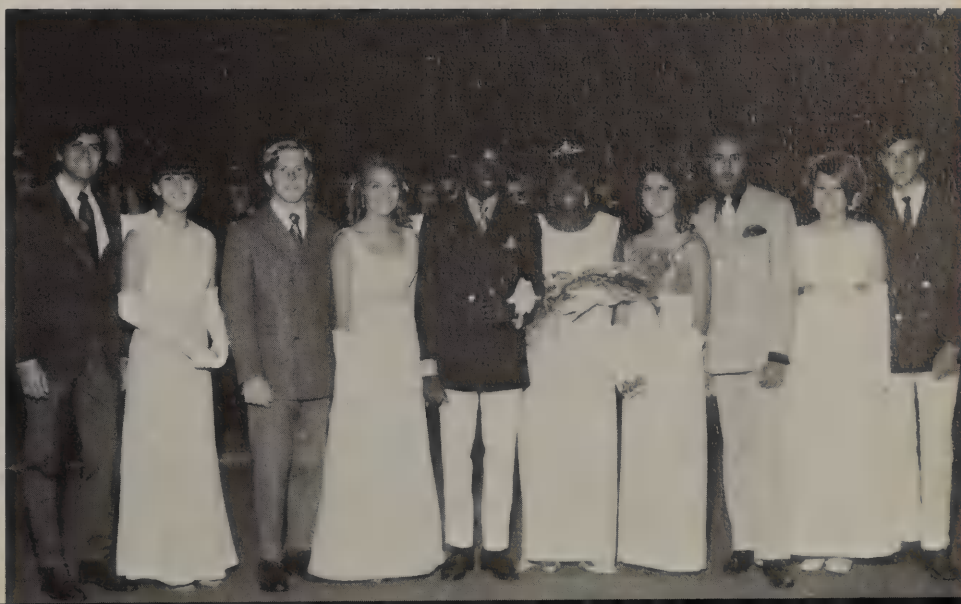

Junior Attendent, Debbie Poston gives a happy wave.

OPERATION AMIGO

"It's A Small World" isn't only a song, it's a fact. Twenty-two Ecuadorian students, accompanied by a chaperone, spent three weeks on our campus this past school year. The program, Operation Amigo, was sponsored by the Union Tribune. The Amigos visited such traditional places as Disneyland, Sea World and the San Diego Zoo. They also attended the Blue and Gold Ball.

Chaperone Ivan Navarrette.

The Amigo boys enjoyed an active game of soccer.

Is it a bird? Is it a plane? . . .

"PARIS BY NIGHT"

The Blue and Gold Ball was held on November 21st at the Balboa Park Club. The Music was provided by Smith and Sons. "Paris By Night" was this year's romantic theme. Our 23 Amigos from Ecuador attended the dance as their first activity at Morse.

"The Silent Majority"

Wake up Rhonda, the dance is over.

LIFE AND DEATH BECOMES CONFLICT IN A.S.B. PLAY

The play is the story of a young girl and the problems she has in going from girlhood to womanhood. Her belief in spirits is so strong that a real spirit is evoked. Where the Government and Science cannot help her, the young man succeeds. The adventure of love proves to be more attractive than death.

"SHADES OF SPRING"

That's a good one! Tell me another.

Students and teachers dance side by side.

Come on. We're going to dance!

Some dance, some talk as evening progresses.

The Royal Dance

The Le Baron Hotel was the setting of this year's ASB Ball on March 6. Crowning of the King and Queen, Charlie Carmichael and Barbara McDonald, was held with poise and Eloquence. Music was provided by Soul Unlimited.

The audience watches in awe as King Charlie is being crowned by this year's Queen.

Doing the "Funky Chicken".

KNIGHTS IN WHITE SATIN

The Annual R.O.T.C. Ball was held at the Masonic Temple in Mission Valley on March 14th. Queen Debbie Easter was escorted by Lt. Colonel Larry Staton. Debbie's court included Liz Lorenzo, escorted by Colonel Joe Brendt and Alice Garcia, escorted by Lt. Ronald Barnes.

Queen Debbie is escorted through the arch of sabres by Larry Staton.

Debbie and Larry enjoy a dance after the crowning of the Queen.

"Hold it, my contact fell out!"

LITTLE MARY SUNSHINE

The setting for this "good vs. evil" play was the Rockies in Colorado. Mary Sunshine was raised by a tribe of Indians. She is rescued from her perils by the forest rangers, headed by "Big Jim" Warrington. It ends as many plays do, with Mary Sunshine, Jim Warrington, the rangers and the proper young women living "happily ever after."

GIRLS PROVE FOOTBALL ISN'T THAT ROUGH

The annual Powder Puff game between the senior girls and the underclassmen girls proved that football isn't just for the boys. The Seniors beat the underclassmen, with a final score of 21-16.

Underclassman Connie Bell runs with the ball.

Allena Salmon has the ball in play.

Everyone in position for another play.

All right, here's the plan . . .

FACULTY COMES OUT ON TOP

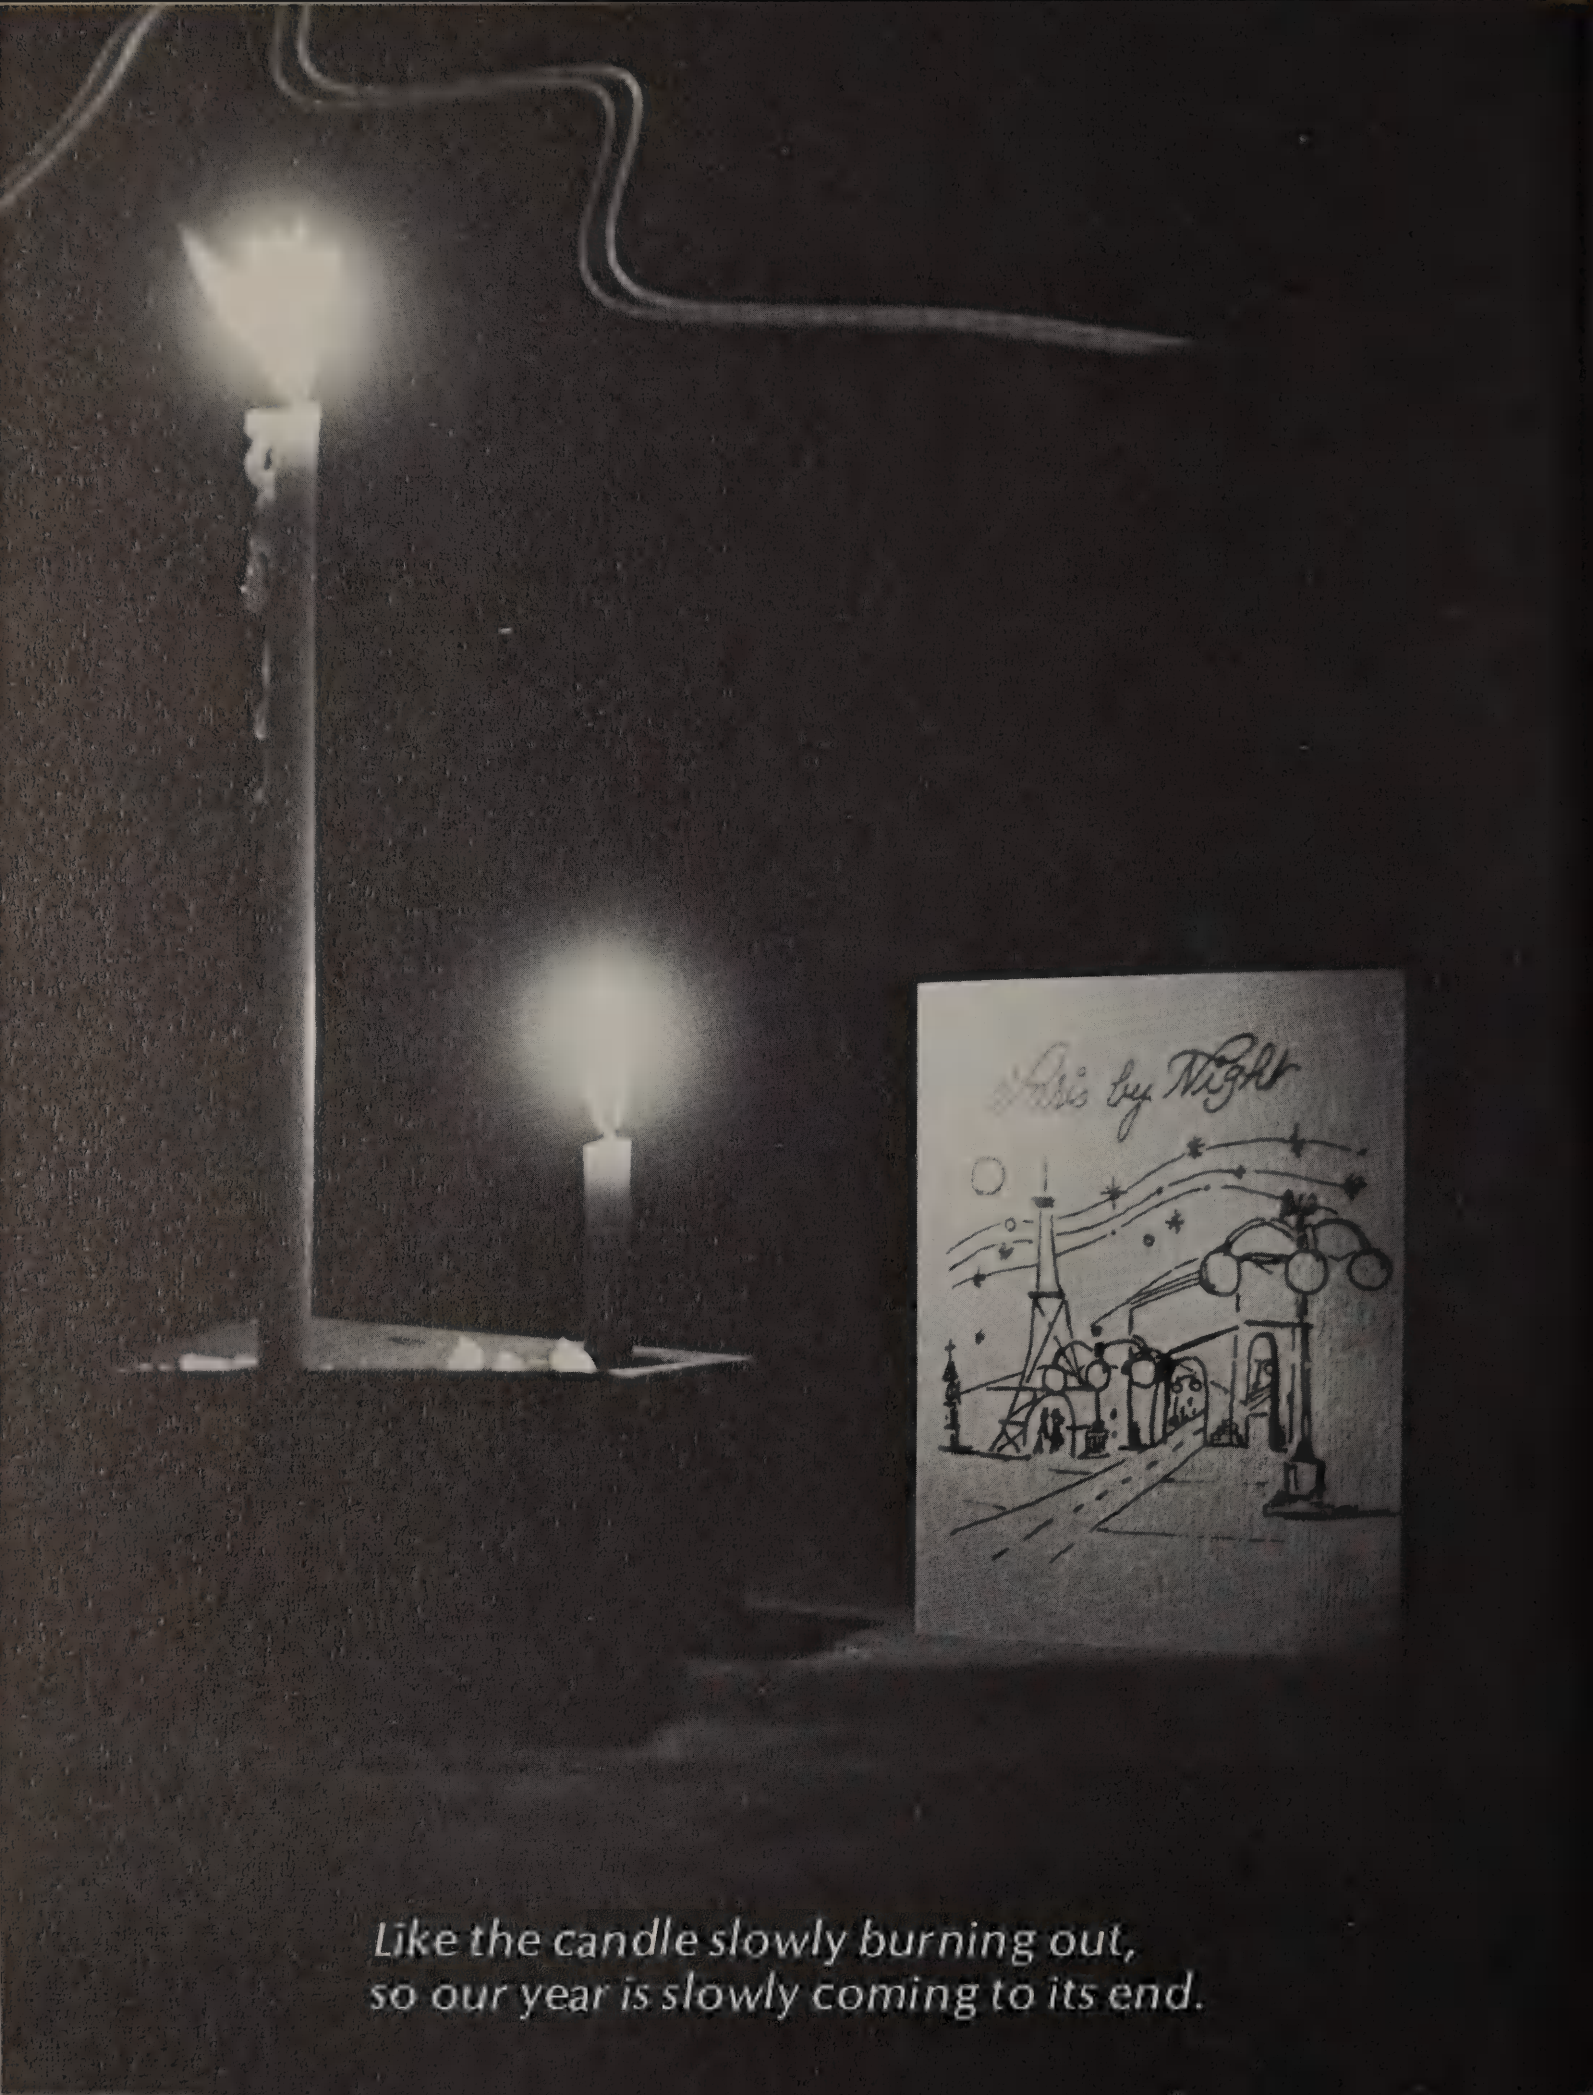

Eric Smrekar and Mr. Huyser jump for the ball.

Once again the faculty stumped the Key Club in the annual Key Club-Faculty game held on February 19. As in the years past, the faculty came out on top.

Watch out Jordon, he's getting close!

*Like the candle slowly burning out,

It's really
been a fun year.

Again this year, the R.O.T.C., led by Sgt. Loughran has proved that the Tigers are the very best. It has been on the campus for three years.

During class periods, cadets learn drill, military tactics and many other things pertinent to military life. It is however, the extra curricular activities that the cadets show great pride in.

A real source of pride this year has been the rifle team. Led by cadet Sgt. Norman Vinson, who is a junior, and the best shot in the city. The rifle team has already won a ten-man city competition.

Clearly their determination and work has helped the cadets learn responsibility and leadership as well as preparing them for the future.
